“Your ticket to healthy and efficient home performance”
In St Louis County

Weatherization helps to reduce energy costs for income eligible families by improving the energy efficiency of their homes, while ensuring better health and safety. CAASTLC uses advanced technologies, certified auditors and qualified contractors to help reduce energy loads and save money, **at no cost to the client.**

Funded with the support of the U.S. Department of Energy, the Missouri Department of Natural Resources' Division of Energy, Laclede Gas and Ameren Missouri.
