CLP Directory Update Form 2015

Purpose: Update the CLP Directory which was last issued in the spring of 2013. There have been a lot of changes since then. Please complete and return this form ASAP if you want to be included. If we obtain the information from this update form, a team won't be needed canvas door-to-door.

This information will not be distributed outside CLP nor will the electronic copy ever be shared with residents or anyone outside CLP. Your e-mail address can also be added to the CLP e-mail Distribution List so you will receive the periodic community e-mails. Note: all e-mail addresses are entered in the Blind Carbon Copy (Bcc) field so no one else will see your address. You choose the information you want published.

It's OK if you don't want to be included, but we would appreciate it if you would let us know either way.

Thanks
